/BMAMP3StreamFrame.cpp

```
graph TD; A["/home/barant/Documents  
/Development/BMASockets  
/BMAMP3StreamFrame.cpp"] --> B["BMAMP3StreamFrame.h"]; B --> C["BMASStreamFrame.h"];
```

A vertical flowchart with three rectangular boxes. The top box is shaded gray and contains a file path. A blue arrow points down from the top box to a white box in the middle, which contains a header filename. Another blue arrow points down from the middle box to a white box at the bottom, which contains another header filename.
